Mount Onsite Business

Helping You Start, Grow or Organize Your Business

I prefer to keep my fee schedule clear and simple. I offer a package that includes an initial office visit to your facility (travel is additional) , an individualized plan for your business and 4 follow up zoom or phone calls. If you would like assistance implementing your plan, or you would like to add one of my other services, I charge an hourly rate.

Package Fee	\$1,500.00
Hourly Rate	\$75.00
Mileage Expense	\$1.00 <i>per mile</i>

Hotel and flights are additional and are charged at the current rate.

The initial office visit will allow me to get an idea of how you and your business operates. This will also ensure that the plan I put together covers all of your current needs. My one day visit typically take 6-8 hours. Your plan will be presented to you as (1) hardcopy and (1) digital copy.

*Please reach out with any questions or concerns.
I look forward to working with you!*
